HEREWITH BELOW SOME CLAUSES EXTRACTED FROM OUR MARINA RULES & REGULATIONS:

- **On the day of departure, you will have to leave your berth before 12.00 hr. In case you want to stay for another night, please inform the Harbour Master before 11.00 hr.**
- Everyone should follow the instructions given by the Harbour Master.
- The association cannot be liable for loss or damage to your vessel and/or property.
- The owner/skipper is responsible for all damages caused by himself or his crew members. PLEASE REDUCE YOUR SPEED IN THE MARINA.
- It is prohibited to disturb the peace and quiet in any way, so please do not run your generator.
- The fresh water jetty is only for water intake purposes. You are not allowed to rinse off your vessel with fresh water.
- Due to environmental reasons, you are not allowed to use your underwater toilet in the marina. It is also prohibited to transport fuel or (re)fill your tank in the marina. Sanding of paintwork and other environmentally unfriendly activities are also not allowed.
- It is prohibited to ride a bike on the jetties and the footpaths around the marina (with the exception of the harbour master).
- Dogs should be kept on a leash at all times. You can walk your dog at the top of the dyke.
- You can swim in the Linge (near the slipway). Swimming in the marina is not allowed.
- The Harbour Master, as well as the committee members, are authorised to move your vessel should it be necessary.
- Playground equipment may be used at your own risk.
- Please do not feed the ducks so as to avoid duck muck.

We hope that, also by observing these regulations, you will leave "De Gors" with fond memories and we would like to welcome you again sometime in the future.
